Building Houses, Building Hope...

Team Up for Habitat! Help us in...

“Tearing down a bowling alley...”

It's a GOOD GREEN thing. Thanks to the support of the United States Womens Bowling Congress, Habitat for Humanity – El Paso is the recipient of tons of material used to transform the event center, Judson Williams Center, into a 120 lane competitive bowling venue. For four months visitors from across the US have come to El Paso and the event center to take part in the “USWBC” Team Competition. Our final thank you is to “deconstruct” so we can “reconstruct”.

“this material will help build an estimated 5 houses in El Paso”

All volunteers interested in participating must be a minimum of 16 years old, willing to commit to at least one entire shift and ready for physical work. We encourage you and your organization to build a team, but individual volunteers are always welcome. We will assign you to a team.

Our goal is to have a minimum of two teams per time period each day or a total of 24 teams. We know it is a challenge to schedule times during a work week; we encourage employers and our partners to be flexible. We only have a limited amount of time to reclaim the greatest amount of material.

Print, fill in and fax the sign up sheet, as many as you need. **Fax to: HFHEP (915) 755-3733.**

**TUESDAY, JULY 6TH • WEDNESDAY, JULY 7TH
